N. Dis 90/55

Submitted to the Regional Inspector of M.H. Es. and Local Boards, through the Additional Dist. Panchayat Officer, South Kanara, and through the Dist. Health Officer, S. Kanara.

The Saligrama Panchayat of Udipi Taluk has resolved in its meeting order no. 79 dated 30-12-54 to request the Regional Inspector to accord permanent sanction for the maintenance of Maternity Centre and employing the Maternity Asst. and an Ayah in the same scales of pay sanctioned previously.

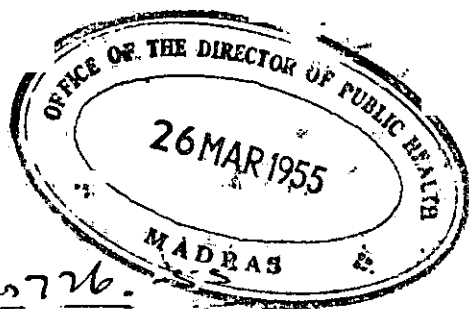

The Regional Inspector in his N. Dis 8813/54 dated 11-5-54 has accorded sanction for the continuance of the posts sanctioned previously in his N. Dis 19381/52 dated 11-11-1952 temporarily for a period of one year with effect from 10-3-54.

The average income of the Panchayat for the last three years was about Rs. 6100/- as seen in the statement. The expected income of the Panchayat for the year 1954-55 seems to be about Rs 5400/- as seen in the revised estimate enclosed. It is presumed that the Panchayat may get not less than Rs 6000/- from 1955-56 onwards.

The percentage of expenditure on the "Public Health" Establishment, including and excluding the proposal comes to about 23% and 5% respectively (if the income of the P. is about Rs 6000/- per year). Budget provision has been made, hence, sanction may kindly be accorded to maintain the Maternity Centre permanently and to continue the posts of a Maternity Asst. and an Ayah on the scales sanctioned previously with effect from the date of expiry of the previous sanction order.
